Create boldly. Design thoughtfully. Express with purpose.

This course offers students the opportunity to deepen their artistic skills while exploring drawing, design principles, and mixed media techniques. Students will focus on composition, shading, color, and creative problem solving while developing their own style. Emphasis is placed on discipline, thoughtful design, and meaningful expression, encouraging students to use their creativity with intention and integrity. This class is ideal for students who want to grow as artists while exploring how their work can reflect purpose and creativity in a meaningful way.

“Let your light shine before others.” – Matthew 5:16
