***One semester only-counts as a ½ credit health (required for Michigan HS diploma)**

Class description: Have you ever wondered why preschoolers ask so many questions, why do teenagers require more sleep, or why older adults seem so reflective? If so, this is the class for you! We will look at God's wonderful design of human growth from conception to death. We will dive into experiential learning and development physically, socially, emotionally, and mentally in each stage of life which will lead to a better understanding of self and others. This class will meet the ½ credit of health that is required for a Michigan High School diploma.

Tuition \$190 (includes homework handouts, tests, and project supplies)

A 50% refund will be issued if class is dropped in the first 4 weeks. If classes are required to meet on zoom, no refund will be issued.

Textbook: Early Childhood Education downloadable text by Vicki Tillman **\$34.99.**
