

Spanish 3 9th to 12th grade

Natalia Saba ncsaba@sbcglobal.net

(269) 547 -8970

The class: For students in 9th -12th grade. This class will allow the mastering of all the verb tenses in Spanish, and expand the comprehension and writing skills. This program will include dictation practice, listening practice, speaking practice, reading practice and writing practice.

This class is for you if:

You have taken the Spanish 2 class.

You are interested in deepening your understanding of the language and culture, and are looking to improve your writing, comprehension and conversation.

Why learn Spanish: Spanish is a language spoken in 21 countries and approximately 442 million people in the world. The demand for bilingual workers has been increasing in industries like Health Care, Hospitality, Education, Law Enforcement, Customer Service, Social Services, Finance and Communication. Spanish is the most popular non-English language spoken in USA with roughly 34 million speakers nationwide.

Teaching Philosophy: I believe that: people have a natural inclination to learn. The learning process has more meaning when the subject has relevance for the learner. Learning through participation is more effective than only receiving instruction. Learners are the ones that drive the learning process. Learning flourishes in a positive, stress-free environment.

The instructor: I was born in Venezuela. I moved to the USA in 2003. I have been teaching Spanish for more than 10 years to children k-3, upper elementary, middle school, high school and adults.

Fees: \$ 340/year. Students are responsible for buying their textbooks.
