What you'll experience in class

Christian Based Music Class. A class with many of your favorite Sunday School songs woven into the sessions!

Singing. From the first “Hello” song to the last “Goodbye,” children explore a variety of musical styles to find their own voice. Singing is shown to improve memory and recall, physical development, creativity and socialization with peers.

Assorted Movement. Fun activities enhance coordination skills, create opportunities for imitation and exploration, and give everyone something to smile, rock, bounce, or dance about. Increased use of body awareness.

Story Time. Reading aloud to children stimulates their curiosity, expands their knowledge, and broadens their understanding of language.

Family Jam. Children (and adults) will love selecting a unique instrument and joining in one big class jam session each week.

Musical Concepts. Fun engaging musically based activities enhance your child's complete physical and cognitive development.

Expert Advice. A highly-trained educator explains how musically based activities can be used to enhance early childhood development.
